Remote Area conditions apply to ALL Apollo vehicles which means in the event of an accident or breakdown in a remote area it will be your full financial liability to pay any salvage, towing and/or recovery costs to the nearest Apollo Motorhome Holidays branch. extension.

Failure to obtain authorisation will result in the renter being charged double the daily gross rental rate.

Repairs up to \$100 may be affected without authorisation and will be reimbursed unless the damage is caused by the renter. For amounts over \$100, Apollo will need to be informed in advance. ## **TRAVEL INSURANCE**

We strongly recommend that renters ensure they take out the highest level of Travel Insurance.

## **PROTECTION PACKAGE**

### **Personal Injury**

The Vehicle has third party insurance cover. It is likely that any other vehicle involved in an accident also has third party insurance cover. Depending on the circumstances of the accident, the renter may be entitled to claim for their personal injury against the third party insurance of the party responsible for the accident. The extent of such third party insurance varies in different States and Territories and Apollo strongly recommends that all passengers take out their own Personal Injury Travel Insurance.

If the renter is responsible for the accident the Vehicle's third party insurance should cover the renter for the liability except where the renter has committed a breach of the Vehicle's third party insurance, e.g. drink driving.

### **Property Damage**

The Vehicle is insured for damage to it or damage to the property of a third party. However the renter is responsible up to the amount of the applicable Liability for the cost of such damage to third party property, or to the rented Vehicle. The renter is also responsible for the cost of demurrage for the period the Vehicle is unavailable due to repairs. The Liability applies in respect of each claim, not per rental. In addition to the Liability an administration fee of \$75 will be charged per claim.

The Liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Apollo, not at the completion of the rental Period. Apollo reserves the right to charge the renter for any vehicle damage including Third Party property damage not reported on return of the vehicle.

## **4WD VEHICLES**

Apollo's rental charge includes a Standard Liability of \$7,500.

A Bond of \$7,500 will be collected at the time of entering into the Rental Contract. Payment of this Bond is only accepted by credit card. The \$7,500 will be debited to the credit card account immediately. An administration fee equal to the merchant surcharge applies.

## **BOND**

For security purposes, only a credit card can be used to provide a Bond. The credit cardholder must be present and able to sign for the Bond upon vehicle collection. The credit card holder is jointly and severally liable for any damage to the rental vehicle.

The Bond is fully refundable when the vehicle is returned to the correct location on time, is full of fuel and all other terms of the Rental Contract have been complied with. If there is damage to the vehicle on its return, the Bond will be used to cover the cost of such damage up to the amount of the relevant Liability. However, if the terms of the Rental Contract are breached and the Bond is insufficient to cover the damage then any extra cost will be charged.

### **Single Vehicle Accident**

If a single vehicle accident occurs in the Northern Territory or Western Australia an additional liability of \$1000 will apply. For the purpose of this Agreement a single vehicle accident is an accident which occurs when no other motor vehicle is involved or when You cannot provide Apollo with the full details of any vehicles that were involved.
