- Rates are in Australian dollars and include 10% Goods and Services Tax
- Rates exclude one way fees, Location Surcharges, all Liability Reduction Options and Extras
- Please note that the flex rate resets after 35 days. See below for more details.

What exactly is Flex?

Flex Rates allows us to offer flexible pricing, which gives you the opportunity to secure the best possible rental rate. The Flex Rates are based on a very simple system of supply and demand. So when there are a large number of vehicles available for hire from a particular branch then the rental rate is lower. This way you can benefit from the lower rates offered. Generally, this means that the earlier you book the cheaper the rate! There will also be great Standby Rates!

How does the Flex system work?

'Flex Rates' will be emailed out every Friday and will be valid from each following Monday through to Sunday inclusive (rates will be updated at 11:59pm Sundays AEST).

The flex rate that is available at the time of booking for the first rental day determines the daily rental rate for the entire rental period up to the 35th day. All rental days from the 36th day on are counted as a new booking and the flex rate that applies for the 36th day will be used from then on, the flex rate that applies for the 71st rental day will be used from then, etc.

What happens if there is an amendment to the booking?

If you wish to make any changes to your booking the booking will be calculated by using either the original flex rate or the flex rate that is valid at the time of the booking change, depending on whichever rate is higher. There are no exceptions to this rule. The following situations are classified as booking alterations:

- Change of date for vehicle pick-up or drop-off
- Change of location (depot) for vehicle pick-up or drop-off
- Change of vehicle category
- Name change

If you decide to extend your rental duration (changing the drop-off date) by 2 days the same flex rate is used that applied on the day when you made your original booking. If you extend by 3 days or more, the booking change rule applies as outlined above.

If an amendment is made to the rental dates within 14 days of collection, no refund will be made if the length of hire is shortened (that is; the rental will be charged at the number of days originally booked). A relocation fee may apply if the collection or return location is amended within 14 days of vehicle pick up or if notification occurs during the hire.

Flex options

From time to time we have the need to move vehicles from one location to another and therefore can offer better rates for certain movements.

Please note that in the event of an accident or breakdown in a remote area or in an area not permitted by Apollo, you are responsible for all costs associated with the recovery of the vehicle to Apollo's nearest branch. Remote Area conditions apply to ALL Apollo vehicles which means in the event of an accident or breakdown in a remote area it will be your full financial liability to pay any salvage, towing and/or recovery costs to the nearest Apollo Motorhome Holidays branch. REPAIRS

Although we run late model vehicles, it may happen that small repairs are required. Repairs up to \$100 may be affected without authorisation and will be reimbursed unless the damage is caused by the renter. For amounts over \$100, Apollo will need to be informed in advance. All vehicles are enrolled in the Australian Automobile Association and 24hr emergency roadside assistance is available.

INFRINGEMENTS AND ADMINISTRATION FEES

Apollo reserves the right to charge the renter for any speeding, toll way or parking fines not reported on return of the vehicle. VEHICLE CATEGORY

Vehicles cannot be requested by make or model, only by vehicle category.

VOLUNTARY DOWNGRADE

Should the renter decide to take a lesser vehicle than booked within 14 days of pick up or during the rental then they will not be entitled to any refund.

LIMIT OF LIABILITY

In the event of no alternative vehicle being available to the renter our liability is limited to a refund of the hire charge or in the case of mechanical failure (unless caused by the renter) the remainder of the hire period.

IMPORTANT

We reserve the right to refuse any rental at our discretion.

ANIMALS

No animals are permitted in our vehicles, excluding guide dogs.

SMOKING

Smoking is not allowed in our vehicles.

TRAVEL INSURANCE

We strongly recommend that renters ensure they take out the highest level of Travel Insurance.

PROTECTION PACKAGE

Personal Injury

The Vehicle has third party insurance cover. It is likely that any other vehicle involved in an accident also has third party insurance cover. Depending on the circumstances of the accident, the renter may be entitled to claim for their personal injury against the third party insurance of the party responsible for the accident. The extent of such third party insurance varies in different States and Territories and Apollo strongly recommends that all passengers take out their own Personal Injury Travel Insurance.

If the renter is responsible for the accident the Vehicle's third party insurance should cover the renter for the liability except where the renter has committed a breach of the Vehicle's third party insurance, e.g. drink driving.

Property Damage

The Vehicle is insured for damage to it or damage to the property of a third party. However the renter is responsible up to the amount of the applicable Liability for the cost of such damage to third party property, or to the rented Vehicle. The renter is also responsible for the cost of demurrage for the period the Vehicle is unavailable due to repairs.

The Liability applies in respect of each claim, not per rental. In addition to the Liability an administration fee of \$75 will be charged per claim. The Liability is applicable regardless of who is at fault and must be paid at the time the accident is reported to Apollo, not at the completion of the rental Period. Apollo reserves the right to charge the renter for any vehicle damage including Third Party property damage not reported on return of the vehicle.

STANDARD LIABILITY

Apollo's rental charge includes a Standard Liability of \$7,500. A Bond of \$7,500 will be collected at the time of entering into the Rental Contract. Payment of this Bond is only accepted by credit card. The \$7,500 will be debited to the credit card account immediately. An administration fee equal to the merchant surcharge applies.

The Standard Liability can be reduced by purchasing one of the following Reduction Options:

for the Bond upon vehicle collection. The creditcard holder is jointly and severally liable for any damage to the rental vehicle.

The Bond is fully refundable when the vehicle is returned to the correct location on time, is full of fuel and all other terms of the Rental Contract have been complied with. If there is damage to the vehicle on its return, the Bond will be used to cover the cost of such damage up to the amount of the relevant Liability. However, if the terms of the Rental Contract are breached and the Bond is insufficient to cover the damage then any extra cost will be charged.

FULL RESPONSIBILITY

At all times the renter is responsible for:
